Multitudes of unbelievably witty and compelling art wares and services on offer on this day only!

NEW! in 2006 the Salon Saloon special in-car entertainments – you won't believe your ears...

Plus! The Booty Stage: the most idiosyncratic and sexy line-up of acts you've ever seen on a Sunday afternoon in June – you won't believe your eyes.

Plus! cool DJ's, probably the biggest paella you've ever seen, sumptuous organic barbecue and wickedly sartorial cocktails. No half measures.

Bring some cash, pick up your booty bag and get your hands on some real works of art – all at car boot prices!

The Art Car Boot Fair - the most fun you'll have out of the back of a car since filthy adolescence.
