

CONSENT FORM

Study title: English coastal flood risk perceptions and management

Researcher name: Sien van der Plank

ERGO number: 40819

Please initial the box(es) if you agree with the statement(s):

I have read and understood the information sheet (22 March 2018, V1.0) and have had the opportunity to ask questions about the study.	
I agree to take part in this research project and agree for my data to be used for the purpose of this study.	
I understand my participation is voluntary and I may withdraw before 31 December 2018 for any reason, without my rights being affected.	

Name of participant (print name).....

Signature of participant.....

Date.....

Name of researcher (print name).....

Signature of researcher

Date.....

.....

Optional - please only initial the box(es) you wish to agree to:

I understand that my interview will be audio recorded for transcription purposes only.	
I understand my individual interview response data will be anonymised in reports of the research by categorisation into broad groups.	
I understand that I may be quoted directly in reports of the research but that my name and organisation will not be used.	
I understand that the interview data collected about me during my participation in this study will be stored on a (a) written form in notebooks in a locked location, (b) password protected computer and network, and (c) password protected external hard drive, and that this information will only be used for the purpose of ethically approved research studies.	
I agree to be contacted regarding future unspecified ethically approved research projects. I therefore consent to the University retaining my personal details, kept separately from the research data detailed above. I understand that I can request my personal details be deleted at any time.	
I understand I don't have to answer every question in the interview, and can terminate the interview at any time.
