If No, outline plans for obtaining ethical approval for your project:

My study's participants are mainly the academics in Southampton business school (human participants) so I plan to register on the University's electronic document management system, Ethics and Research Governance Online (ERGO), as soon as my semi-structured interview questions are ready.

I understand what ethical approval is, and I understand the University's ethics policy.

Yes

Have you completed the mandatory Research Ethics Basic Awareness Training?

Yes
