# BOOKMARK and Evaluation Card

Moving towards  
HIGHER EDUCATION

**When you have finished working through the workbook please complete and return this pre-paid, self addressed post card.**

1. Was the workbook useful to you? If so, in which ways? Were any sections / activities particularly useful?

2. We are interested in how you used the workbook - did you work through each section in order, skip some or dip in and out? Please describe your approach.

3. We are interested in whether you had support in using the workbook - did you work through it independently, with others, at college, with tutor support? Please say a little about how this worked for you.

4. Are you planning to go on to Higher Education? Has the workbook influenced your decision in any way?

**Thank you**
